

Welcome to New Market

Message from the Mayor

Along with the Town Council, I would like to welcome you to The Town of New Market. I am the seventh generation of my family to grow up here. My great-grandparents owned and operated the New Market General Store for many decades. My son, Kai, attends New Market Elementary and my daughter, Hannah, attends Linganore High School. My wife and our family live at 69 West Main Street. My father and I operate a small family cabinet making business. We have 11 family members who live in town. We attend Life of Christ Church and are also members of the New Market Methodist Church where many of my ancestors are buried. Our family has much invested in the town.

We invite you to share with us all that was good about growing up in New Market. In the old days we all lived and worked together in the stores, factories and farms surrounding the town. We attended one of three local churches, ran fire calls and belonged to at least one of several civic organizations in town.

The Town Council and I have worked hard over the last few years to maintain the cultural heritage and traditional lifestyle that is New Market. Although the economy has presented significant challenges, we have many of the building blocks in place to ensure a vibrant future. We have new zoning laws that permit more shops and businesses along Main Street. Before I became Mayor, it was antiques only. We installed new water lines through Main Street and other areas to fuel economic development and provide a safe and reliable source of drinking water. We have a Blue Ribbon school that is not only the best in the County, but perhaps the nation. We have provided playing fields for our local youth athletic association (LOUYAA – Linganore Oakdale Urbana Youth Athletic Association), so our kids have a place to play sports. We have one of the County's best Historic District Commissions which helps not only preserve the Historic District, but also provides architectural guidelines for all our new villages. We have a Planning Commission that is forward looking in their planning to ensure that the Town not only moves boldly forward into the future but does so in fashion consistent with our culture identity and history.

Our vision is to create a community where one can live, work, play, dine, walk, shop and go to school. We welcome you to our town and hope you will join us in growing our vision and our town to share with future generations.

You are free to contact me anytime if you have any needs or questions. My email address is burhanscab@earthlink.net and my cell phone number is 301.748.6517. If I don't have an answer to your question, I'll get you one.

Sincerely,

Winslow Burhans, III
Mayor

Key Sanitation (301.668.8282)

Regular trash pickup: Tuesday.

1. Please have your one container (supplied by resident – 70 gallons or less) at your front curb by 6:00 a.m.
2. Note: Residents in Brinkley Manor that have an alley at the rear of their home, may place their trash at the rear curb instead).
3. Do not put recycling, yard waste, bulk items, tires, or hazardous materials in with the trash.

Yard Waste pickup: Wednesday. April-November.

1. Place at curb by 6:00 a.m. Place it no earlier than the evening before pickup.
2. Must be in biodegradable paper bags. These can be purchased at local hardware & other stores.

Accepted Items:

- Yard trimmings
- Grass clippings
- Tree, hedge, garden clippings
- Leaves
- Brush & branches – cut to 3 foot length and no more than 3 inches in diameter. Tie in bundles.

Unacceptable Items:

- Hazardous materials
- Root balls
- Dirt or Sod
- Rocks
- Brush & Branches – larger than 3 feet in length and more than 3 inches in diameter. Not tied in bundles.

Both of the regular trash pickup and the yard waste pickup are at no charge for all Town of New Market residents.

Recycling

(301.600.2960)

Frederick County Recycling

is every other Wednesday. To obtain your rolling bin (no charge for the bin or to recycle) call 301.600.2960. They will deliver the bin to your home and give you the calendar of scheduled pickups.

A copy of the town ordinance on trash and recycling can be viewed at:

Permits 101

As you settle into your new home, you may be considering adding a fence, deck, shed or some other structure or improvement. To aid you in this effort, we have outlined below the proper procedures for requesting these additions/improvements. Any improvements involving new structures outdoors, or plumbing, electrical, or structural changes indoors, will require a permit. **Remember, no improvements can begin until the following approvals have been processed.**

1. Apply for and receive approval with your Homeowner's Association (if applicable).
2. Apply for a permit with the Town of New Market. There is a \$50.00 application fee. Applications can be downloaded from the town website at www.townofnewmarket.org or picked up in the Town Office located at 39 West Main Street. Applications should be returned to the Town Office. It is very important that you include your HOA approval letter and provide diagrams, site plans, and/or photos with your application.

3. Your application will be reviewed by the Zoning Administrator to ensure that the request meets Town ordinances.
4. If your application is approved you will be notified by the Town Office. You may then either pick up your signed approval or have it mailed to you.
5. For some projects, your signed application will have to be taken to Frederick County to obtain County permits. You will need to contact the County to determine their procedures (301.600.1134).
6. If your project requires a County permit, you will need to notify the Town Office with the AP# that you receive from the County in order for the Town to sign off on the County's computerized system.

Plan your projects accordingly...this process takes a minimum of 15 days if the County is involved.

We hope that this information will help you with your projects. Please call our office at 301.865.5544 with questions or concerns.

Town Snow Policy

Every owner, tenant or occupant of a building, property or lot abutting on a public sidewalk shall remove and clear all snow and ice from the surface of the sidewalk for a minimum width of two feet, within six hours from the end of the snowfall or other precipitation, or if the snowfall or other precipitation occurred overnight, by 2:00 p.m. the following afternoon. If ice is

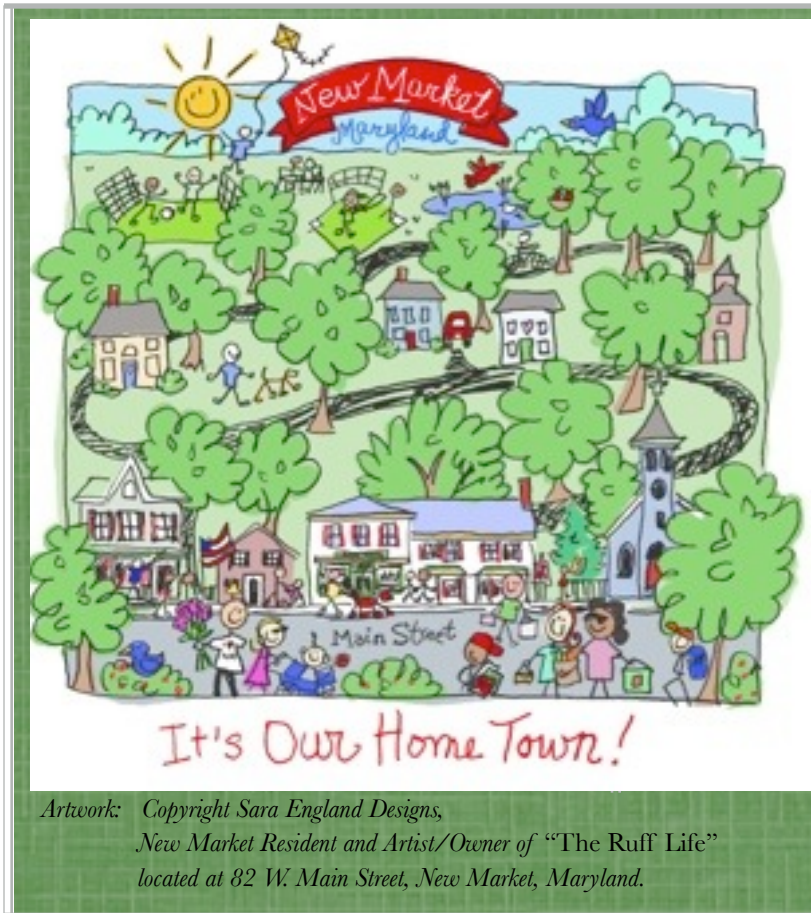

not readily removable, please apply sufficient calcium chloride or similar commercially available product to effectively melt and remove the accumulation of ice. A violation of this ordinance shall be a municipal infraction. Each day a violation occurs or continues is deemed a separate offense. The penalty for violation shall be one hundred (\$100.00) dollars. For

a complete copy of the snow policy, please visit our website at www.townofnewmarket.org.
