

Rob Yost – 105 W. Main St. – Subdivision & Business Concept

Mr. Yost purchased the property at 105 W. Main St and is planning on moving his retail art supply business to the town. He is proposing to remove the existing house on the property and construct a building to house their business. He wants to put up a metal building approximately 50 x 120 feet, about 5-6 thousand square feet, with either a stone front facade or wood plank. Mr. Yost provided the board with preliminary plans to get their input. The board would like to have more information on the home to be demoed as to its historic status. Mr. Yost is going to look to find more information from the National Historic Trust Preservation.
