Actions

1. Welcome of City of Frederick Representatives, introductions.
2. Tim Davis presented to the committee several brochures on cycling, for review and use. Mr. Davis offered ways to include planning for cyclists and pedestrians in the New Market area. He suggested that to be successful in seeking funding the committee should focus on planning and data resources and the committee should examine the motivation of the grantors of money. (I.E. is it multi-model or mode split, or ecological planning or something else). Mr. Davis stated that Frederick County is in the process of revising its Bike and Pedestrian Plan, and we might want to coordinate. Mr. Davis stressed the need to have a map of the areas pedestrian/bike resources.
3. Members present reviewed the results and itemized the community priorities as indicated by the survey for the purposes of creating an action plan and provided a ranking of these priorities.
4. Chris Goettge was tasked with providing a rough draft of an action plan to serve as a starting point. This draft action plan is to be distributed prior to the next meeting.

Next Meeting – October 10th 6:30 pm the main subject will be the assignment of projects and the action plan.
