We're Almost There!

New Market..... We are 74.3% complete with our Streetscape project! As you've probably noticed Concrete General continues to work on the road paving, sidewalks (brick and concrete), lighting, and landscaping. We know this project has been very disruptive, but we appreciate your patience during this time.

After polling our residents, Main Street's milling and paving will be conducted at night (Monday through Friday) for two weeks beginning in mid-October. This work will go the whole length of the project raising the road up and making it smooth once again.

The concrete sidewalks are almost complete with a few areas (Marley street and joining sidewalk) left to finish. The brick sidewalk work is making its way towards Milo's. You will also notice with the sidewalks will receive new hand rails, making the

store front accessible from the road. The finishing touch with the brick will be the polymeric sand. This type of sand will lock the bricks together to prevent weeds, debris, and other items getting between the bricks.

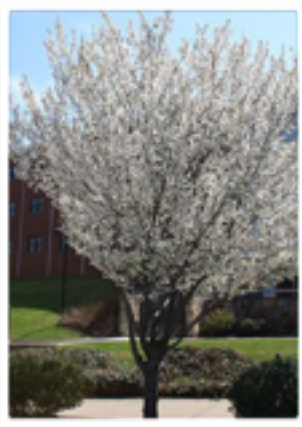

Lighting is also near completion with the remaining conduit being installed on the east side of town. Once installed, we are hoping to have lights "on" throughout the town in early mid-October. Please remember the lighting will remain on for 30 days non-stop to break-in the new 108 lighting units.

Landscaping will also start in October with trees, shrubs, and sod to be planted. The trees that will be planted throughout town will be Bloodgood London Planetree, Hightower Willow Oak, Autumn Brilliance Serviceberry, Eastern Redbud, Kousa Dogwood, and Snow Goose Flowering Cherry. These trees were selected for our project due to their municipality-friendly growth. The shrubs, Cherrylaurel, Radrazz Knockout Rose, and Korean Spice Viburnum will be used to hide the large silver power cabinets and other such items. Finally, the sod will be planted in the remaining vacant areas between the curb and the sidewalk. The town would also like to remind residents that this sod will then be maintained (mowed) by the property owner.

We are almost there. Please remember for up-to-date information check out our website (www.townofnewmarket.org) or FaceBook page (@NewMarketMD).

A Word from New Market's Green Team

The Green Team of New Market wishes to thank our residents and our neighbors for responding to our survey. The Team is currently utilizing the survey results to form an action plan. Our action plan will dictate the projects we will perform over the next three years to make New Market a more sustainable community. Information on Maryland's Sustainable Community Program can be found at <http://sustainablemaryland.com/>.

We are very pleased to introduce a new member of the Team, Ms. Michelle Corpora. Michelle resides with her family in The Meadows. She is a professional writer and editor, and has experience with graphic design. She is willing to help the Town look into the issues of reducing residential use of pesticides to protect local flora and fauna, and reducing residential waste through recycling and composting.

The Green Team meets on the second and fourth Mondays of the month at 6:30 p.m. in Town Hall and, we encourage and **WELCOME** fellow citizen participation! For those of you who wish to become more involved in this effort, please consider becoming a member of our Team. Like us on Facebook: Green Team of New Market, MD. New Market's Got Talent

Have you ever been to the New Market-Linganore Community Show? It is a hidden gem in our community. Linganore High School will be hosting the 43rd New Market-Linganore Community Show October 9 to October 11. This show is open to the public with lots to do. The show kicks off on Sunday, October 9th from 4pm to 8pm with entries accepted in the gym. We would like to see how talented our community is.....bring your crafts, art, photographs, canned goods, bake goods, and produce to be judged.

Monday, October 10th 8:00 am to 9:00 am will be your last chance to submit your entries. At 9:00 am entry acceptance will be closed and the show will be closed to the public for judging. The show will open back up at 6:30pm to the public. While you're waiting for the results of the judging, please grab some dinner. The show will provide Mountain Gate Restaurant Chicken & Ham dinner (Adults: \$12, Children (6 & under): \$8). Dinner will be served from 4 pm – 7 pm. The night is still young, stick around after dinner for the bake goods and flower auction. This is your chance to bid and win the top judged cakes, pies, cookies, breads, brownies, and floral arrangements.

Tuesday, October 11th will be the last evening of the show. It will kick off at 6 pm with the children's Pedal Tractor contest and Strut your Mutt Dog Show. These contests are open to the public and everyone is encouraged to be involved. During this time balloon art will be done for free in the gym. The balloon art is amazing, as swords, cell phones, flowers, and animals are made-to-order. As the show starts to come to

an end (8 pm) door prizes are given out (make sure you get your tickets – tickets are free). At 8:15pm the show will be ending and exhibits will be removed and premiums will be paid.

This is a great event for our community and provides a nice opportunity for children, teens, and adults to show off how talented they are. We would like to see our community show up and support this show. If you would like to be a volunteer or have questions about the Community Show please contact Shane Rossman (shanerossman@gmail.com).

Christmas In New Market

Christmas in New Market is back with even more to do! Come enjoy the premier holiday event of New Market beginning Friday, December 9 through Sunday, December 11, 2016. Below is a short calendar of events.

Friday, Dec 9 at 7pm: Tree Lighting Ceremony at the Community Park. Ring in the Christmas season with carols and cookies at the park! Erin Duffy's Irish Dancers will entertain the crowd before Santa arrives on a fire truck to culminate our evening by lighting the Town's Christmas tree!

Saturday, Dec 10 at 10am: A Christmas parade on Main Street! From 11-4pm, Santa will roam in and out of shops along Main Street before landing at Town Hall for family photo opportunities. Town Hall will house a silent auction of Christmas trees with proceeds going to the Greater Urbana Area Food Bank. The fire department will host a craft show. The shops will have a scavenger hunt where children are invited to find a Christmas item that's hidden in their store. Walking maps will be available that highlight what activity or deal each shop is offering. The Original Playhouse will give free admission from 12-4 with a Santa's workshop filled with crafts \$10 and under for children to make and give as gifts. Stay tuned on the town's Facebook page to see what other businesses plan to give! We listened to feedback and have enhanced and improved this year's Scavenger Hunt!

Sunday, Dec 11: Santa will be back from 11-4pm. The fire department will host a country breakfast and their craft show will be open for the day. Main Street businesses will run their holiday specials. The silent auction will accept final bids and winners announced.

Hope Community Preschool

Hope at New Market is buzzing with excitement as preschool students start their new adventures in learning! The children have started exploring and playing with all the new toys while getting acclimated with their peers and teachers. The mission of Hope is to give preschool students the foundation to learn mentally, physically, emotionally, and socially through age appropriate lessons and experiences in a loving, caring Christian environment. We offer two convenient locations: Hope at New Market at New Market United Methodist Church and HOPE Community Preschool located at Mount Carmel United Methodist Church. Both locations offer a K-Prep class 5 days a week for those children attending kindergarten next school year. We also offer eight other classes between the two locations for children ages 2-4 years old. Pastor Scott and Pastor Jenny provide chapel time for the students twice a month sharing faith-filled lessons. If you would like to learn more about the preschool programs, please feel free to contact Kathy Petrill at Kathy.petrill@hopemtcarmel.org.

MMPAC's FX Performance - You're Invited

MMPAC's pre-professional dance company, FX, will be traveling to Washington, D.C. in October for a performance they have been working on in collaboration with the Clara Barton Missing Solider's Office Museum. The company is always striving to involve it's dancers in opportunities outside the studio to enrich their dance and educational experiences. We are very excited to share this work with our community. Please join us for this performance honoring Clara Barton's service, sacrifice, and contributions to American history.

When: October 22, 2016 at 2:00p.m.

Where: Clara Barton Missing Solider's Office Museum, 437 7th St. NW, Washington, D.C. 20004

MMPAC is still accepting registration for fall classes! For more information please call [301.694.5105](tel:301.694.5105) or email office@mmpac.com.

Community Reminders

Town Alleys

With school back in session and Streetscape in full swing, many of our alleys will be travelled more heavily each day. Please be courteous to our neighbors out beautifying and maintaining their property along them. These thoroughfares are narrow. Residents may momentarily be in the drive aisle while mowing and timing vegetation.

Yard Waste

Pick up continues Wednesdays through November 23. Grass, clippings, and leaves must be bagged in paper/recyclable lawn bags (available at area hardware and big box stores) or placed in personal containers no larger than 30 gallons in size labeled "yard waste." Sticks and limbs must be bundled. Bundles may not be larger than 3'x3' in size. Sod and/or dirt is not accepted. Please note collection will be from the curb and must be curbside by 6 a.m.

Christmas Tree Pick-Up

There are two days for Christmas Tree pick-up this year. They are Wednesday, January 4 and Wednesday, January 11, 2017. Please remember: Trees must be free of decorations and lights; If tree is over 5' in length, cut tree in half; No plastic bags; No tree stands.

Notice to Main Street Residents

Please do not use salt on the new concrete sidewalks during the winter. We have been advised by the State Highway Administration and Concrete General that the concrete is still curing and the salt will destroy the surface of the sidewalk. Please use sand as an alternative. Your cooperation is greatly appreciated! Thank you!
