New Market General Permit Application Process

1. Obtain an application form from the Town Office or the Town Website. Complete the application and return it with the following as applicable:
 - Application Fee
 - Detailed drawings or sketches
 - Architect's or engineer's drawings
 - Manufacturer's literature
 - Photographs
 - Landscape drawings
 - Color samples
 - Plat of Property
 - HOA Approval Letter
 - Other supporting documentation that will explain your application in detail.
2. Return your application to the town Office or a town official at least two (2) weeks prior to the scheduled meeting (P&Z is the first Thursday of the month at 7:00 p.m. and the HDC/ARC meeting is the second Tuesday of the month at 7:00 p.m.). Your presence may be requested at one or both of the meetings. Failure to attend the meeting may cause a delay in the approval process.
3. If a Frederick County permit is required the application must present the approved application along with the approval letter from the Town. The applicant will need to phone the Town office (301.865.5544) with the Application Number (AP#) that is given to them by Frederick County. The Town will then complete the approval process in the Frederick County computer system.
4. Upon completion and approval of the steps listed above, construction may begin.
5. Not every approval step may be required for each application. We will help guide you through the process. Please call with any questions or concerns (301.865.5544).
