TOWN OF NEW MARKET
USE CERTIFICATE

Before occupying any new building, changing uses or businesses in a building, or operating a temporary activity/event, all businesses or individuals must first obtain a Use Certificate from the Town of New Market. This approval is required to verify that the proposed use or business is a permitted use within the zoning district.

A Use Certificate must be applied for when:

- The use of a property is changed
- When a use is added e.g. a home occupation
- When temporary uses of a property are proposed
